Absolute Beginner Prayerbook Hebrew #5

Name	Sound	Letter	Name	Sound	Letter
hiriq	ee	ִי	Koof	K	ק

Notes:

1) Be careful not to confuse the Shewa (אְ)and the Meteg (אֱ). The metheg is a solid line which is used to show where the stress of the the syllable falls.

2) Some prayerbooks will replace the tetragrammaton (יהוה) with two yud's (יְיִ). Both are pronounced *Adonai.*
